FURY 10'4"

This inflatable SUP manages to combine reactivity in the waves, **limited space** and exceptional **quality of glide** thanks to its Race shape and its kick pad. Designed with **Drop Stitch Double Layer Fusion** technology, it remains extremely rigid in a limited weight. Its **great stability** combined with its 3 fins allow you to **gain speed quickly and precisely**.

Dimensions: **315 x 84 x 15 cm**

1 central slide-in fin + 2 fixed

1 central «dagger fin» for windsup practice

Maximum Charge **122 kg**

FURY PRO 11'

Its quality of manufacture and **Drop Stitch Double Layer Fusion** make it the most **versatile** SUP in its category. Equipped with 4 handles and D-rings as well as a removable footrest, this SUP can be transformed into a **Kayak** in seconds to multiply its uses. Its Race Shape and **3 fins** guarantee you a **quick speed pickup** while maintaining control, regardless of sea conditions.

Dimensions: **335 x 84 x 15 cm**

1 central slide-in fin + 2 fixed

1 central «dagger fin» for windsup practice

FURY EPIC 12'

For a **complete SUP**, the Fury Epic n'a pas d'égal ! is second to none! Its slender lines, **pointed nose** and **365 cm** length give it a quality of glide appreciated by ride enthusiasts looking for the most **epic performance**. Why not as a duo by the way, since this **extremely rigid** board can hold a maximum capacity of **154 kg**. Two handles are provided on either side of the bow for passenger safety.

Dimensions: **365 x 84 x 15 cm**

1 central slide-in fin + 2 fixed

1 central «dagger fin» for windsup practice

Maximum Charge **154 kg**
