SPORT BRAKE SWIMMING POOL BIKE

This water bike adopts the codes of machines known as **spinning bikes**.

Ease-of-use, effective resistance and enhanced sensations. Discover its new adjustable system for setting the required exertion level by using the **gear lever**, allowing you to customise your workout. Furthermore, its **comfort of use** with bare feet and its fast drainage are undeniable advantages for regular use

ULTRA-SPORT WATER BIKE INOBIKE 8

ACCESSORIES INCLUDED:

RESISTANCE BANDS
3 RESISTORS CHOICE
(AS AN OPTION)

To complete your session by working the top of the body

TECHNOGEAR+® TECHNOLOGICAL INNOVATION & PROVEN RESISTANCE

The Inobike 8 has a **mechanical system** that combines the efficiency of a **rubber brake stop** with the precision of a **gear lever**. Adjustment is done **while you are working out**, without you even having to stop pedalling, by **simple pressure** on the gear lever, for **highly accurate** and simple measurement of your resistance. You therefore improve your performance while you are training

X frame geometry

45° sport handlebar pedals

Barefoot pedals approved resistance

Fast settings Click & Turn
