# Poolican®

**And if you made life easier for yourself ?**

**Do you feel overwhelmed with all the equipment needed to keep your pool clean and functional? Poolex has the answer.**

The Poolican, an intuitive device, combines the three essentials for a healthy pool. And it goes even further with a 4th element that ensures the comfort of users with water that is always at the right temperature: the heat pump!

**The treatment of your pool is entirely taken care of by a single device!**

The Poolican is a compact device that is placed near the pool and plugged into a mains socket. Inside, you will find a circulation pump, a cartridge filter, a salt electrolyser and a 5kW Full Inverter and reversible heat pump. Once installed, you can easily control your pool from your smartphone.

**MANAGE YOUR SWIMMING POOL  
DIRECTLY FROM YOUR SMARTPHONE!**
